

Smart Designs Dental Lab

Smart Designs is a comprehensive dental lab that fabricates quality, high definition dental prosthetics, aligners and appliances. Many Doctors are fed up by the exorbitant fees charged by 1st generation aligner companies and our relationship with eXceed provides a great solution. Selected as one of eXceed's few Network Production Partners, we developed a custom Fee Schedule for our Doctors.

Fee Schedule for eXceed Clients

eXceed Clear Aligners

- Express Package (7 or Fewer) \$199
- 8 - 20 Aligners \$550
- 21 + Aligners \$799

Add-On Services

- Refinement \$199
- Retainers for Life \$299
- Replace Lost Aligner \$50

Smart Designs Dental is a Full Service Dental Lab Specializing in Orthodontic Appliances, Orthodontic Model Archiving and Clear Aligners

- Smart Designs delivers your aligners individually sealed in pairs with your patient's name after they are UV sterilized.
- We are able to apply your logo or any labeling of your choosing along with standard care instructions.
- Our Express Package is very popular for patients with orthodontic relapse or those in need of minor movements.
- The Retainers for Life Program will allow you to provide unlimited Essix or Lingual retainers for your patient of record if lost, broken, etc.
